## CHICAGO'S 33D BOMB.

More Outrages Perpetrated in the Gam-  
bling War.

Chicago, Nov. 2.—Two bombs were ex-  
ploded Sunday night in downtown build-  
ings occupied by gambling clubs. The  
bombs were the thirty-second and thirty-  
third that have been hurled in gambling  
establishments within the last two years.  
No one was injured, but many windows  
were broken and store stocks were dam-  
aged. For two years a series of bombs  
has been exploded intermittently in Chi-  
cago gambling houses. The acts are  
said to be due to a quarrel between syn-  
dicates of gamblers who operate in viola-  
tion of the law.

The first explosion Sunday night shook  
the heart of the city and windows in  
buildings within a radius of a block were  
broken. Many buildings adjacent to the  
explosion were damaged, including the  
Chicago Automobile club, the Imperial  
and the Inter-Ocean hotels, and the  
Premier theatre, a vaudeville house. The  
theatre was filled with people when the  
bomb was fired. The detonation fright-  
ened the audience and men and women  
rushed for the street, but no one was  
injured.

Guests of the La Salle hotel, across  
the street from the Worth Jockey club,  
were startled by the second explosion.  
In both cases alarms of fire were sounded,  
but no fire resulted from the explosions.  
No arrests were made.

## NEW YORK BUILDING UNSAFE.

The Home of the Criminal Courts to Be  
Condemned.

New York, Nov. 2.—The criminal  
courts building, which was built at a  
cost of \$2,000,000, was yesterday declared  
unsafe by the engineers of the bureau  
of buildings. The building, which has  
been the scene of the Shaw, Molinere  
and other New York principal criminal  
trials in the last score of years, was  
begun in 1890 under the administration  
of Mayor Hugh Grant. It will be offi-  
cially condemned in a day or two. The  
entire building, which was built on  
nearly ground, will probably be vacated  
in several days. The big eight-story  
brick structure is cracked from basement  
to dome and it is feared that little more  
than a slight shock would send it top-  
pling to the street. The courts building  
is located on Center street and contains  
the courts of the general and special ses-  
sions, the Tombs police court and the  
district attorney's office.

## Cure for Liquor Habit

Give Orin and Destroy All Desire.  
Sold Under Guarantee.

Orin is the most successful cure for  
the liquor habit that the world has ever  
known. It is a home treatment, given  
without publicity, detention from busi-  
ness or loss of time, and is absolutely  
guaranteed. If the simple directions on  
each box are carefully followed. So re-  
markable have been the changes wrought  
for suffering drinkers men by Orin  
that leading ministers, charity workers,  
philanthropists and druggists everywhere  
recommend the treatment. Thousands of  
endorsements have been given for the  
remedy.

Read this one from the Quaker Drug  
Co., Seattle, Wash.:  
"During the past five years we have  
sold thousands of packages of Orin, and  
have never heard it spoken of except in  
highest terms of praise. We have dozens  
of people come to us and state that Orin  
has cured them, or their husbands,  
or dear ones from the curse of drunken-  
ness. Orin is one of the few articles  
on the market that we can conscientiously  
recommend to our customers, and we do  
so daily feeling that we have done  
what to us seems a duty as well as a service."

Orin is prepared in two forms. No. 1,  
a powder, absolutely tasteless and  
odorless, given secretly in food or drink.  
Orin No. 2, in pill form, is for those  
who wish to cure themselves. Orin  
costs only \$1 a box. In every box is a  
guarantee which entitles you to a refund  
of your money if Orin fails to effect a  
cure. Write for free Orin booklet  
(sealed in plain sealed envelope) to Orin  
Co., 336 Orin Building, Washing-  
ton, D. C. Orin is for sale in this city  
by Burt H. Wells, Red Cross Pharmacy.  
They know Orin is a reliable and effi-  
cient remedy for drunkenness and they  
will not offer you a substitute.

## ABOUT THE STATE

The town of Derby has advertised for  
bids for the building of about a mile of  
new highway in that town which will  
include a bridge. The work must be  
completed before July 1st, 1910.

Miss Bridget Rooney of Mendon look-  
ed out of her window Saturday morn-  
ing and saw a buck. She went imme-  
diately down stairs and procured a  
rifle and then went out into the yard  
and shot it. The animal weighed about  
150 pounds.

Mrs. Mary Sloane Donahue, a lifelong  
resident of Rutland, died at the home  
of her daughter, Mrs. W. L. Gillman, of  
a complication of diseases. Mrs. Donahue  
was born in Aberdeen, Scotland, and  
came to this country when a young girl  
and lived in Rutland since that time.

A new slate mill is to be built in  
Hydeville soon by the Lake Bonhomme  
Slate Co. The companies plant will be  
moved from Granville, N. Y., to that  
town. This change will make Hydeville  
second only to Fair Haven in the pro-  
duction of milled slate in Vermont.

Frank Page of Windham had a valu-  
able cow choke last week from eating  
pumpkins and he at once summoned a  
veterinary. With the doctor's assist-  
ance the piece of pumpkin was removed  
although both of the men had their  
arms severely scratched by the cow's  
teeth.

Michael O'Connors of Poultney has  
brought through his attorney a suit  
for damages of \$1,000 against the  
Matthews State Co. of the same town.  
The suit alleged negligence on the part  
of the company, resulting from which a  
cable brake shoe fell on him injuring his  
side and shoulder.

## Vacancy at Military Academy.

Senator Page has been invited by the  
secretary of war to nominate a candi-  
date for appointment as cadet to the  
United States military academy who, if  
he successfully passes the examination,  
will be admitted to the academy on  
March 1, 1910. At the same time, Sen-  
ator Page will nominate two alternates  
under the understanding that if both  
meet the requirements, the one better  
qualified is to be admitted in the event  
of the failure of the principal.

Applicants for the appointment must  
be actual residents of the state, not  
under 17 or over 22 years of age on the  
date of admission, and not less than  
five feet four inches in height at the age of 17,  
or less than 5 feet 3 inches in height at  
the age of 18 and upwards.

In order to give all young Vermonters  
who desire to enter the military acad-  
emy, an equal chance, Senator Page has  
arranged for a preliminary examination,  
both physical and mental, to be held at  
Norwich university on December 10 next.

This examination will be under the im-  
mediate supervision of Captain Chap-  
man, commandant at Norwich university.  
Full information as to the scope of same  
and subjects required may be obtained  
upon application to Senator Page.

## EAST CORINTH.

Everett Sawyer has made repairs on  
his barn.

Mrs. Letitia Jenny spent a few days  
last week in Bradford.

Alfred Richardson of Peacham is visit-  
ing his brother, George Richardson.

The deer season is over and very few  
are reported killed in this community.

Mrs. McKay and mother of Topham  
were guests of Mrs. Fred Hayward Sat-  
urday.

It is reported that Harry Miles is not  
going to Florida to spend the winter, as  
was expected.

Miss Chalker, who has been spending  
several weeks with Mrs. Warren Welch,  
has returned to her home.

Mr. and Mrs. S. C. Fulton of Lakeport,  
Mr. and Mrs. Ernest Nichols of Ashland,  
N. H., and Messrs. Chas. Corlies and  
Ray Currier, also Miss Addie Currier  
of Newbury, were guests of Mrs. Currier  
and Mrs. Page last week.

"The Willing Workers" gave a Hallow-  
een social at the church vestry Sat-  
urday evening. The following program was  
given: march, Hewett Page; dialogue,  
"Good Recommendations," Leon Merrill  
and Earl Carter; dialogue, "A Slight Mis-  
understanding," Gladys Thompson and  
Hewett Page; recitation, "The Chickens,"  
Ned Carter; dialogue, "The Rival Orators,"  
Lester Thompson and Ned Carter;  
recitation, "The Happier Life," Harold  
Fuller; a reading, "The Boys' October,"  
Cathie Thompson; recitation, "Give  
Thanks for What," Elsie Beattie; song,  
"America," all.

After the program was  
completed Hallowe'en refreshments were  
served. There were nine articles on the  
refreshment list, with hallowe'en names  
in place of the real names.

## BERLIN.

Meeting for the Betterment of Town  
Held Friday Evening.

Rev. and Mrs. Donald Fraser gave a  
social in the town hall last Friday evening,  
which was enjoyed by a large audi-  
ence. The following program was ren-  
dered: music by the corner school; "Our  
Town," by A. E. Correll and H. L. Hew-  
ett; Mr. Correll's band signed by the  
first governor of the state and the  
first town report ever printed. Mr. Hew-  
ett said he had lived 40 years in the  
town of Berlin and he thought the town  
was as good or better than any other  
in the state. C. S. Pike then gave an  
interesting talk on "Our Schools." He  
said, among other things, that he thought  
our schools might be made better by  
more co-operation between parents and  
teachers and by paying our teachers bet-  
ter salaries. Music was then rendered  
by the Mirror lake school and E. B. House  
gave an interesting talk on the grange,  
saying that the grange and the church  
worked together for the good of all and  
that both doors were open for members.  
William McCarthy rendered a violin solo  
accompanied by Mrs. Fraser on the piano,  
after which coffee and cake were served.  
Those attending went to their homes  
wishing they could keep Rev. Mr. Fraser  
and wife with them forever.

## BOSTON UPLIFT STARTED.

Opening of The 1915 Movement Exhibi-  
tion.

Boston, Nov. 2.—An exhibition of  
progress in civic enlightenment known  
as the 1915 exposition, was opened  
in the old museum of fine arts build-  
ing in this city yesterday. The exhibi-  
tion is unique among the exhibitions  
that have been held in this country,  
marking the beginning of a campaign  
for the development of Boston into a  
"model" city in 1915.

## CANNIBAL TALE FROM FLEET

## Cruisers Hear Englishmen and Chinese Were Killed

## AND EATEN IN ISLANDS

One of Boatload Escaped—Admiral Se-  
bree Makes Report at Manila.

May Refer to Case Already  
Known.

Manila, Nov. 2.—Rear-Admiral Sebree  
reports that when the United States Pa-  
cific fleet touched at Admiralty Islands  
it was learned that recently cannibals  
from the islands captured a boat con-  
taining three Englishmen and three Chi-  
nese.

One of the Englishmen, who escaped  
through the connivance of a friendly  
tribe, said that his companions had been  
killed and eaten.

There have been repeated reports of  
attacks by savages upon shipwrecked  
sailors in Polynesia during the last few  
years, and it is possible that the story  
told by the fleet is another version of  
the massacre at New Britain in Septem-  
ber. In that instance Capt. Lindsay  
and his crew of ten of the Ketch Rahal  
who were on a trading expedition, were  
killed and their bodies burned with their  
boat.

## CHICAGO "SPORT."

An Ox-Killing Contest from Which the  
Women Fled.

Chicago, Nov. 2.—Fully 1,500 persons  
watched—or started to watch—the beef-  
dressing and goat-killing contest sched-  
uled Sunday afternoon at the Law-  
rence base ball park. Butch Welsh re-  
sisted the race of four times for twenty-five  
cents for the first and last ox and goat  
for each subsequent contest.

The first ox was led into the arena  
pawing and looking wildly at the crowd.  
He was dragged upon a platform that  
had been constructed, where the matador  
stood armed with a hammer, more un-  
conventional than the weapon used by  
the Mexican and Spanish bull-fighters.

The first blow of the hammer failed,  
and it took two more before the ox fell  
on the platform. After the contest the  
carcasses were auctioned off to the as-  
sembled butchers, who came from all over  
the city, and whose enterprise had pro-  
vided the entertainment.

## NEW MAN FOR CHINA.

D. A. Tompkins, North Carolina, Sug-  
gested.

Washington, Nov. 2.—D. A. Tompkins,  
of Charlotte, N. C., who is announced  
has been endorsed by the National As-  
sociation of Manufacturers and the Am-  
erican Cotton Manufacturers' Associa-  
tion for ministers for China, is a promi-  
nent business man of his city and state.  
He is one of the proprietors of the  
Charlotte Observer, interested in sev-  
eral banks and has been influenced in  
promoting cotton associations for the  
purpose of enhancing the price and  
controlling the production of that com-  
modity. The opinion is expressed in  
Washington, however, that the admin-  
istration will be disposed to select for  
this important post a man who has en-  
joyed some diplomatic experience or  
who has at least shown some special  
aptitude for diplomacy.

## HELD SECRET MEETING.

Spanish Generals Wish to Overthrow Con-  
stitutional Regime.

London, Nov. 2.—The Madrid corre-  
spondent of The Chronicle sends to that  
paper the rumor that a group of gen-  
erals, including one holding high official  
position, held a secret meeting October  
27, to discuss a coup d'etat, aiming to  
overthrow the constitutional regime and  
to substitute a military government  
with King Alfonso as its absolute head.

## All Who Would Enjoy

good health, with its blessings, must un-  
derstand, quite clearly, that it involves the  
question of right living with all the term  
implies. With proper knowledge of what  
is best, each hour of recreation, of enjoy-  
ment, of contemplation and of effort may  
be made to contribute to living aright.  
Then the use of medicines may be dis-  
pensated with to advantage, but under or-  
dinary conditions in many instances a  
simple, wholesome remedy may be invalu-  
able if taken at the proper time and the  
California Fig Syrup Co. holds that it is  
all important to present the subject  
truthfully and to supply the one perfect  
laxative to those desiring it.

Consequently, the Company's Syrup of  
Figs and Elixir of Senna gives general  
satisfaction. To get its beneficial effects

## THE POWER OF STEAM.

Many May See That It Takes Genius to  
Handle.

When James Watt saw the steam  
engine he said "There must be power in  
that steam that it can lift such a  
weight."

There was.  
Millions prior to him had seen the  
same phenomenon and regarded it as  
an unexplained mystery.

Recent scientific research has put its  
finger on the "cause" of Danduff, Fall-  
ing Hair, and consequent Baldness, and  
has ascribed a tiny germ which enters  
the life from the pores of human hair.  
Newborn's Herpeticus destroys this  
germ and consequently restores the  
hair to its normal state.

Sold by leading druggists. Send 10c. in  
stamps for sample to The Herpeticus Co.,  
Detroit.
